HALL OF FAME CRITERIA

NEW YORK MILLS HALL OF FAME

The New York Mills Hall of Fame was established to formally honor the memory and contributions of the many outstanding athletes, coaches, teachers, administrators and supporters of our school district and athletic programs. The Hall of Fame serves as a symbol of our appreciation of the excellence, honor, and devotion displayed by these celebrated individuals and teams.

Nomination and Selection Process:

- 1) A maximum of five individuals/teams year 1, maximum of four individuals/teams year 2, and year 3 and beyond three individuals/teams will be inducted into the Hall of Fame during any given school year. It is also not necessary to induct three new nominees each year or even one new nominee, depending upon the selection committee's vote and the qualifications considered upon the selection process.
- 2) Any individual with a demonstrated interest in the New York Mills School District and/or Athletic Programs may submit a nomination. An individual may not nominate himself or herself for induction.
- 3) All nominations will be presented to the selection committee.
- 4) Once an individual has been nominated, his or her nomination will remain active for a minimum of five years or until such a time he or she is inducted into the Hall of Fame.
- 5) The selection committee shall consist of a building administrator, athletic director, three staff members and a community member. The current selection committee includes Dave Paavola, Dan Tumberg, Josie Smith, Becky Butenhoff, Bryan Dunrud, Blaine Novak, JJ Weller and Matt Radniecki.
- 6) To be approved for induction, a candidate must receive unanimous support from the selection committee.
- 7) Each selection committee member will have three ballot votes for those nominated, and once the voting takes place, all votes will be tabulated. The selection committee will then make their selections based upon the results of the vote while taking into consideration criteria and extenuating circumstances.

Each inductee has a plaque with his/her picture and a few words summarizing their careers on a board in the hallway outside of the Sports Center gymnasium. Each inductee will also receive a copy of the plaque with their picture for them to take home. If a team is inducted, there will be a plaque with picture put in the hallway outside of the Sports Center gymnasium, but there will not be individual plaques given out due to the sheer volume of plaques and the cost associated with this. The induction ceremony shall be at a time and place designated by the board.
